### MORE. INFO

*Zuwear Clothing Collection emerged as a trendsetter in the heart of Salt Lake City, Utah, in 2023. Inspired by the rugged beauty of the surrounding landscapes, their designs seamlessly blended urban flair with outdoor practicality. From cozy knits to versatile outerwear, each piece in their collection exuded effortless style and functionality, reflecting the spirit of adventure that defines life in Utah. With a commitment to sustainable practices and locally sourced materials, Zuwear captured the essence of mountain living while making a positive impact on the environment.*
